First Amendment

This First Amendment (the “**Amendment Agreement**”), dated May 4, 2023, amends the Teaming Agreement (the “**Existing Agreement**”), executed on October 3, 2022, between Fairwinds Technologies LLC (“Company”) and Cyberlux Corporation (“Cyberlux”).

Background

1. The parties entered into the Existing Agreement.
2. The parties wish to make certain changes to the Existing Agreement to reflect the developments in the nature of the deal.

Accordingly, the parties agree as follows:

- 1) **Amendments.** The Existing Agreement is amended as follows below.

- 1.1) Paragraph 4 of the Existing Agreement, which deals with submissions to the Government, is amended by inserting the words “for which Fairwinds is acting as mutually agreed upon either Prime or Reseller to” immediately after the word “Government” at the end of the sentence.
- 1.2) Paragraph 8 of the Existing Agreement, which specifies the level of exclusivity of the deal, is amended by deleting it in its entirety and inserting int its place the following:

“Exclusive Agreement. This is an exclusive agreement, meaning that Fairwinds shall only support Cyberlux, and none of Cyberlux’ competitors on the capture of this Ukrainian Government drone request for 1000 Model-K8 drones and any continuation orders and derivative drone orders, and Cyberlux shall not enter into any agreements that would prohibit it from meeting the obligations promised to Fairwinds, should an award be made to Cyberlux for the support of Ukrainian drone

services, except that Cyberlux can enter in any agreements necessary should Fairwinds not be in a position to offer mutually agreed prime or reseller services. Should this occur, Fairwinds is entitled to 8% of the Contract value for up to a total cumulative number of 1000 drone units, as defined in the amended Exhibit A – Statement of Work.”

1.3) Exhibit A of the Existing Agreement, which specifies the payment to Fairwinds if the drones were sold through a party other than Fairwinds, is amended by deleting “10%” and inserting in its place “8%.” Also, replacing in the same sentence the words “1000 variants” with “a total of 1000 units from the total cumulative awarded units.”

- 2) **Continuation of Existing Agreement.** Except for the amendments made in this Amendment Agreement, every aspect of the Existing Agreement remains unchanged and in full effect.
- 3) **Merger.** This Amendment Agreement constitutes the final, complete, and exclusive agreement between the parties on the matters contained in this Amendment Agreement. All earlier and contemporaneous negotiations and agreements between the parties on the matter contained in this Amendment Agreement are expressly merged into and superseded by this Amendment Agreement.
- 4) **Governing Law.** The laws of the state of Delaware (without giving effect to its conflicts of law principles) govern all matters arising under and relating to this Amendment Agreement, including torts.
- 5) **Counterparts.** The parties may execute this Amendment Agreement in one or more counterparts, each of which is an original, and all of which constitute only one agreement between the parties.

(This is a resend due to size. I put the rest of the invoices and DD250s in a second email.)

Jim, please find the attached spreadsheet on the applicable 1000 drone shipment commission. I've included all the applicable invoices and the DD250s for all the drone shipments for transparency. With the SWO and ultimate contract modification, there are a few elements to the calculation. Loren and I are available to answer any questions and to step through the spreadsheet as you'd like.
